Subject: Prayer for assigning to Enterprise Systems Analysis & Design C#.NET or JEE course.

Sir,  
With due respect, I beg to state that, I'm a trainee of the ISDB-BISEW IT Scholarship Program (Round-55). I've completed the computer fundamental (CF) course and attended the evidence exam on 09-04-23. I'm very much hopeful about passing with good marks.

I originally applied for this scholarship with the dream of becoming a programmer. Since then, I have been trying to learn the C# programming language through the internet. But without professional help, it seems very difficult to me.

So, I, therefore pray and hope that, despite having no significant practical knowledge, please oblige me by allowing me to do C#.NET or JEE programming course.

I'm looking forward to hearing from you.

Yours faithfully,

Md. Abdul Alim
